Why choose Duet EVP?

ULTIMATE FLEXIBILITY

All colours are available in both locking Engineered Vinyl Plank and Loose Lay Luxury Vinyl constructions. This lets you to enjoy the same pattern throughout your space, regardless of the installation requirements of a room.

QUIET

Planks come with an attached pad that deadens the sound within the room, as well as decreases the sound transmission to the room below. A great choice for busy homes and multi-story buildings.

WATERPROOF

100% waterproof against topical moisture. The ideal flooring for moisture-prone areas such as kitchens, bathrooms, laundry rooms, and basements.

EXCEPTIONAL DURABILITY

The 20mil wear layer allows us to offer a Lifetime Limited Residential / 12 Year Limited Medium Commercial wear warranty, ensuring your space will look its best for many years to come.

EASY TO INSTALL

Planks are easy to install and lock securely in place to form a floating floor with exceptional performance.

INDOOR AIR QUALITY

Made from premium Low VOC and DOP-free virgin materials. FloorScore® Certified and free of Ortho Phthalates, Formaldehyde, and Heavy Metals.

*Coordinating Flush Stair Nose, T-Mold, and Reducer available in each colour.
